# CHANGING YOUR TRAJECTORY

WITH BISHOP DALE BRONNER

## **YOUR NEW BOOK “CHANGE YOUR TRAJECTORY: MAKE THE REST OF YOUR LIFE BETTER” WAS JUST PUBLISHED! WHAT’S ONE THING YOU HOPE READERS WILL LEARN WHEN THEY READ IT?**

*Since change is inevitable, I hope readers will learn how to be forward thinking and master change instead of being a victim of change!*

## **WHAT DOES IT MEAN TO CHANGE YOUR TRAJECTORY?**

*To change your trajectory means to change your thinking, your perspective, your attitude, your inner circle, and your vision for the future so that you are prepared for what lies ahead. It means to aim ahead of your target because your target is a moving entity. If you aim where it is, you will miss it. So you have to anticipate the pace of change and aim ahead of it so that your bullet is on a trajectory to hit where the target is headed.*

## **HAS THERE BEEN A CRUCIAL MOMENT IN YOUR OWN LIFE THAT YOU’VE HAD TO CHANGE YOUR TRAJECTORY?**

*Yes. A great change in my personal life that challenged me was the decision to leave the traditional Baptist church, which was my first pastorate, and launch out to plant an interdenominational ministry. The place I was at had become a comfort zone for me. In fact, the year before I left the Baptist church, they voluntarily doubled my salary, without my ever mentioning money to them. It was very difficult for me to leave people whom I loved and who loved me. It was a familiar and comfortable experience for me since I had grown up in the Baptist denomination.*

*I learned from this experience that good is the enemy of God’s best. I was in a good place. It was comfortable, but it precluded me from trusting God and watching the Holy Spirit develop new gifts in my life. It challenged my faith and strengthened my dependence upon God. The decision for me to leave the familiar and trust God in a new endeavor was the*

*best one I could make. So from this experience, I learned that making the right choice can often feel terribly uncomfortable at the present time, yet God can still be leading that decision. I had always assumed that if it were the right decision, it would feel right and comfortable. But it felt as though I was doing the wrong thing, and I was most uncomfortable.*

## **HOW CAN WE USE CHANGING SITUATIONS AND CIRCUMSTANCES IN OUR LIVES TO HELP US?**

*We can use changing situations to help us trust God at a deeper level. The more things change in our world, the more we must anchor ourselves in God who never changes. Then we can also use changing situations to develop our capacity to dream, be creative and think strategically.*

*“I learned from this experience that good is the enemy of God’s best.”*

## **WHAT WOULD YOU SAY TO SOMEONE WHO FEEL STUCK IN LIFE?**

*Seek God. Get around other creative people who are doing something of value. Open your heart and mind to be able to see new opportunities. Research and see what is available to you. Look for problems to solve. Dream elaborately, and in detail. And work to make it a reality.*

## **WHAT DOES IT MEAN TO PROPHECY YOUR FUTURE, AND WHY SHOULD WE DO IT?**

*To prophesy your future means to speak in line with God’s desire for your life. We should do this because Jesus taught us that we would have whatever we say (Mk. 11:23). I John 5:14 reminds us that if we ask anything according to God’s will, He hears us.*

## **TELL US ABOUT YOUR SHOW “POWER FOR LIVING” WHICH AIRS ON DAYSTAR.**

*“Power for Living” is a Bible-based program that will inspire, instruct, and inform a person how to live victoriously for Christ! It will empower you to be and do what God has called you to be and do!*

Bishop shares a moving tribute to his father & more in the full interview at [Daystar.com/BishopDaleBronner](http://Daystar.com/BishopDaleBronner). Tune in for “Power of Living,” Sundays at 7:30 p.m. ET on Daystar!

# TRAGEDY and Hope

With violence and racial tension running high in our country, it's more important now than ever before to stand together and support one another in Christ. Recently, Daystar had the opportunity to do just that through a \$16,000 donation to Emanuel African Methodist Episcopal Church in Charleston, South Carolina, site of the church shooting earlier this year.

The shooting, which took place during a Bible study on Wednesday, June 17, 2015, left 9 individuals dead, including Clementa Pinckney, Pastor of Emanuel African Methodist Episcopal Church and a South Carolina state senator.

The donation was given in response to a call to action given by Marcus Lamb, President and CEO of Daystar Television, during the network's flagship program, Marcus & Joni, in which he requested viewers to give towards Emanuel African Methodist Episcopal Church. Daystar partners and viewers responded generously, and over \$16,000 was donated to assist the church in the aftermath of the shooting.

Partners, thank you so much for your generous donations! Because of you, we are able to show Christ's love in tangible ways all over the world. Please continue to pray for all those affected by this tragedy, especially the church congregation and the families of the victims.

## WHAT'S IN A NAME

With Thanksgiving approaching, I can't help but think about how much we have to be thankful for this year. In particular, we are so grateful that Suzy has had a healthy pregnancy, and we are so excited to meet our new granddaughter very soon! In fact, this month I get to share some exciting news with you: Baby Girl Lamb has a name!

Arielle, meaning "Lioness of God." How incredible that every time we say her name, we're speaking this amazing blessing over her life! As a very proud Noni, I couldn't be happier and I cannot wait to see her grow into the mighty woman of God that I know she is destined to become.

I also wanted to share a couple of Jonathan and Suzy's maternity photos with you – Arielle is scheduled to arrive in early November, so please be praying for a safe and smooth delivery!

## PURE & UNDEFINED RELIGION: Caring for Orphans in the Philippines

The Bible tells us in James 1:27 to "look after orphans and widows in their distress," and through a recent \$5,000 donation to Samaritan's Place – an orphanage in Manila, Philippines – Daystar was able to demonstrate this scripture in a tangible way.

Samaritan's Place was the site of an exclusive simulcast for Planetshakers LIVE, the recent collaborative event between Daystar and Planetshakers that aired live last month. During the event, Daystar President and CEO Marcus Lamb announced the \$5,000 donation to the orphanage, which also received NIV Bibles for each child in conjunction with the event, courtesy of Biblica and Harper Collins Christian Publishing.

The donation from Daystar will go towards assisting the orphanage in acquiring additional land for micro-farming, improving the infant unit facilities, developing a storage/maintenance center, and helping to sustain long-term care for orphans.

"Daystar's generous gift will help fulfill our motto, which is based on the scriptural promise found in Jeremiah 29:11, 'to build a hope and a future,'" says Marc Morris, Co-Founder of Samaritan's Place. "We are very, very grateful for the love and compassion of Marcus and Joni, the Lamb family, and all of Daystar!"

We feel so honored to have had the opportunity to bless those in need – to learn more about Samaritan's Place, visit **[Daystar.com/SamaritansPlace](http://Daystar.com/SamaritansPlace)**.

## FROM THE DESK OF MARCUS LAMB

Thank You!

Dear Partners & Friends,

Joni & I, the entire Lamb family, and all of the Daystar Team want to thank everyone who pledged during the Fall **Heart for the World**. (What a great week we had!)

If you made a pledge, I want to encourage you to start paying on it. I often say, **"The sooner you sow your seed, the sooner your harvest will come!"**

The Bible says in Isaiah 1:19, **"To him that is willing and obedient, he will eat the good of the land!"** To "eat the good of the land" means that you will enjoy the blessings of the Promised Land. It took willingness to make the pledge, but it takes **obedience** to pay the pledge. So obedience is the key to receiving the blessings!

### ISRAEL ALERT.....

Joni & I will do **live broadcasts from Israel** on Monday, November 9 and Wednesday, November 11. Wednesday's guest will be **Pastor Joseph Prince** from **Singapore**. He will be live in our Dallas Studio while Joni & I are live in our Jerusalem Studio. So we will be **live** in both studios at the same time!!!

### Second Grand Baby Lamb!

Jonathan & Suzy are scheduled to have little **Arielle** on November 10. So please pray.

### Ministry Opportunities

If you live in the **Memphis, Tennessee** area, Joni & I, along with the Daystar Singers, will be ministering for **Bishop Brandon Porter** at the **Greater Community Temple, Church of God in Christ** on Sunday morning, November 29. So you are invited to come.

I hope you got to see our live broadcast on Daystar from **Houston, Texas** for **Pastor Joel Osteen** at **Lakewood Church**, which is the largest Church in America! (This was my seventh year in a row to preach for my close friend, Pastor Joel.)

Yours For Christian Television,

Marcus D. Lamb

**P.S. Thank you in advance for sending in your pledge!**
