"I had been praying for a loan to fix my car so I could finish my move to North Carolina, but could not get one for over a week. The day after I ask for prayer I got a loan. The car is now fixed and we are on the way to a new life. Thank the Lord and thank you for praying with us!"

# RECEIVING THE CALL

WITH BRIAN CARN

## HOW DID YOU KNOW THAT GOD HAD GIVEN YOU THE GIFT OF PROPHECY?

There was a series of events that let me know that the prophetic was on my life. However, at the age of 8, I had a visitation from the Lord and He called me to prophesy, similar to how He called the prophet Jeremiah.

## HOW DID THE PEOPLE IN YOUR LIFE REACT WHEN YOU STARTED OPERATING IN THE GIFT?

Some were fearful and some were afraid. Others loved on it and would push me to grow in it all the time.

## WAS YOUR FAMILY SUPPORTIVE OF YOUR MINISTRY?

Yes and no. I went through a challenging time with my mother at first because all of a sudden I changed and became different; but eventually she realized that God's hand was on my life. Some of my family members thought I was strange, but over time they saw the calling on my life. Even now, some family members work with me in the ministry.

## WHO HAS BEEN THE MOST INFLUENTIAL PERSON IN YOUR LIFE?

There are so many – my mother for her courage, my first pastor for her standards, my second pastor for being a great male influence in my life, and Pastor Benny Hinn, who taught me from afar how to engage with the Holy Spirit.

## HOW HAS YOUR GIFT OPENED DOORS FOR YOU WITH INFLUENTIAL LEADERS?

It has caused me to speak to people whom I would have never spoken to – athletes, singers, actors, etc. Also, it's led me to be invited to aristocratic meetings and has introduced me to governmental settings.

## IS THERE SOMETHING THE LORD HAS SHOWN YOU SPECIFICALLY FOR THE MONTH OF AUGUST?

It's going to be a time of preparation for the month of September and a time for America to choose which God they will serve.

## WE'RE SO EXCITED ABOUT THE LAUNCH OF YOUR NEW SHOW NEXT MONTH! WHAT CAN WE EXPECT?

You can expect the supernatural, prophetic demonstration, the Word of the Lord for the year, and current events, but most of all a high standard for the Prophetic.

*“You can expect the supernatural, prophetic demonstration...”*

## WHAT WOULD YOU LIKE TO SEE COME OUT

## OF THIS PROGRAM AIRING AROUND THE WORLD?

The Prophetic validated. The Prophetic trusted. The Prophetic authenticated.

## WHAT DO YOU ENJOY DOING THE MOST WHEN YOU'RE NOT MINISTERING?

I enjoy shooting pool, golfing, reading, praying and debating.

**BE SURE TO TUNE IN ON SUNDAY, SEPTEMBER 13TH AT 11:30 P.M. CT/12:30 A.M. ET FOR THE OFFICIAL LAUNCH OF BRIAN CARN'S WEEKLY PROGRAM!**

We love having the opportunity to bring you exciting live events and conferences from all around the world – you can experience the encouraging messages and anointed worship right in the comfort of your own home!

## FROM JONI LAMB

With racial tension running high across the country, it's more important than ever before that we come together as a church to take a stand against injustice. Because of this, we decided to create the One Series on Joni Table Talk – a special series of shows focusing on the racial issues facing America today and how we, as the Body of Christ, can address these issues and make a difference by listening, loving and standing with any and all that have been affected by racism.

Featuring special guests such as Bishop T.D. Jakes and Bishop Harry Jackson Jr., the Ones Series will not only grant you valuable insight into the racial issues facing our nation, but also encourage you to take a stand in your own community.

You can watch the One Series on Joni Table Talk, Monday, August 17th through Friday, August 21st, so be sure to tune in!

**WATCH JONI ONLY ON DAYSTAR**

## REWRITE THE STORY

Recently, Daystar made a \$300,000 donation to the Texas Offenders Reentry Initiative (T.O.R.I.), an organization that works with former prison inmates who are struggling to reenter their communities upon release from prison. The donation was made after airing a special program – “Rewrite the Story” – which highlighted the organization, in which partners and viewers had the opportunity to donate toward the cause.

Created by Bishop T.D. Jakes, T.O.R.I. focuses on both male and female ex-offenders, either on probation or parole, that may be experiencing hopelessness, lack of support, unemployment, psychological, social, mental, and medical and/or substance abuse issues. T.O.R.I.'s vision is to help these individuals overcome and succeed in all areas of life.

We are so grateful for the generosity of our partners and viewers, and feel honored to support such a worthwhile and necessary program. Thank you to all who gave! For more information on T.O.R.I., visit [Daystar.com/TORI](http://Daystar.com/TORI).

Thank you Daystar for your programming, and may God richly bless you!"

"I had requested prayer for my grandson as he was looking at a year in jail for breaking his probation over drugs. God has worked it out for him to go to rehab and he will come to Houston to do that. His parents are in Louisiana, so he can also be close to his family. God is so GOOD! Thank you for your prayers!"
