

# Joni Lamb Friend of Israel

For decades, [Joni Lamb](#) has stood as a beacon of unwavering support and love for the nation of Israel. Her deep-rooted love for the Jewish people and her desire to see them come to know Jesus as their Messiah have fueled her tireless efforts across the Holy Land. From providing vital humanitarian aid to expanding evangelism reach to fostering meaningful connections with Israeli leaders, Joni's passion for Israel shines brightly in all she does. Join us for a look back at some recent projects making a difference in the lives of God's Chosen people today!

## Military Supplies

Providing bullet proof vests and helmets for IDF reserves in southern Israel.

## Specialized Equipment

Providing vital communications equipment for a unit of Israeli Special Forces.

## Childcare

Funding activities and childcare for children across Israel who have lost family or been displaced from their homes.

## Bomb Shelters

Funding 40 bomb shelters now in use across Israel.

## Medical Supplies and First Aid Kits

Providing hundreds of medical first aid kits to volunteers and first responders in southern Israel.

## Meals and Groceries

Providing hot, chef-prepared meals for thousands of soldiers and hurting families displaced by the war.

## Political Support

Mobilizing political support for Israel to accomplish all that needs to be done.

## Frontline Support

Providing food, water, and generators to southern communities who are supporting the IDF on the front lines.

## Operation Refuge

Providing displaced families with more than just their basic needs, but also creating a vibrant community with activities for children and adults alike to create some sense of normalcy in the midst of a frightening season.
