Dear Friend,

More than two years have passed since the COVID-19 pandemic began, and the world has changed in so many ways. But through your support, **truth that sets people free from fear is being shared** across the earth through Daystar!

As my way of saying thank you, I've enclosed *The Whole Armor of Immunity Kit* to help keep you and your loved ones healthy during this difficult season. Featuring a 30-day supply of power-packed supplements including **Zinc, Vitamins C and D3, Apple Pectin, and Quercetin**, this collection of nutrients and vitamins is important in helping maintain good health—regardless of your vaccination status.

Remember, it's important to continue building a strong immune system throughout the year, so I hope you'll sign up for **our convenient subscription service online at [Daystar.com/Immunity](https://www.daystar.com/immunity)**, to ensure you're experiencing the benefits of these supplements every day. When you sign up, **you'll save 10% off your order each month** while the subscription is active!

In spite of censorship and misinformation, facts about the preventative treatments many doctors have recommended in treating COVID-19 are reaching people everywhere as we work together to get the word out. From speaking out against mandates to advocating for medical freedom, **we're fighting for liberty and justice every day.**

Thank you for giving! United as one, we'll continue sharing the data you don't hear from mainstream media and shining a light on the lies causing harm to so many. May God bless you for joining us **to stand for truth, speak out against injustice, and set those held captive by fear free.**
